

AE-V12 Shredder & AE-S12 Slicer Attachment

American Eagle AE-V12 & AE-S12 attachments offer incredible benefits to restaurant operators:

- Decreases recipe preparation time
- Less waste & consistently professional look
- Saves on labor and training costs
- Delivers efficiency & bottom-line savings

**#12 Hub Motor or Mixer Hub Compatible
 AE-V12 attached to AE-G22 Grinder Motor**

A variety of plate sizes and adjustable range of thickness:

- Grate or shred all types of cheese
- Cut a variety vegetables and fruits
- Shred cabbage, carrots, and potatoes

Also Available:

- AE-GV12 Complete Shredder w/ Motor
- AE-GS12 Complete Slicer w/ Motor

AE-V12 attached to AE-60 Mixer

Standard Features

- Made from food-safe quality aluminum alloy for durability
- Stainless steel, "S" knife is precision-milled and ground for sharp, clean cuts
- Easily adjust slice plates by adding spacers for thickness control
- Safe, easy-to-use dual hopper chamber design. Opens for easy cleaning
- Unit is easily disassembled for cleaning, lubricating and adjusting
- Can be used on most mixer hubs or meat choppers #12 power hub compatibility

Standard Warranty on Motor Unit Only

- 1 year parts and ninety days labor
- Must register with American Eagle

Listed by ETL, LABRITATION
 Conforme au NSF No. 6
 Meets food industry Sanitation
 Standards Committee requirements.

Listed by ETL,
 Conforme aux Underwriters Laboratories,
 Certified to Canadian Standards
 Association specification C22.2, No. 195.

CE mark conforms to European Union
 Directives of safety, design and performance
